

The logo for elix batteries features the word "elix" in a bold, white, lowercase sans-serif font, with a dot over the "i". Below it, the word "batteries" is written in a smaller, white, lowercase sans-serif font, with wide letter spacing. The text is centered within a blue rectangular area that has a stylized, jagged top edge, resembling a battery terminal or a plug. The background of the slide is a dark, textured surface.
